

## Our Lady Star of the Sea School Arrival and Dismissal

In order to open our school safely, while following the guidelines set forth by the city, state, archdiocese and CDC, classrooms needed to be rearranged in order to space the children out at a distance of 6 feet apart. Some of the classrooms have been moved to accommodate our students. Also, the arrival and dismissal times and procedures have been altered. Below are the classrooms we will be using, the entrances/exits each class will use and the arrival and dismissal times for each class. The students will use the same doors to enter and exit the building. Parents must park their cars and escort their children to the school building in the morning. Please leave the property once your child(ren) is in the building. Drive **slowly and carefully** as students and parents will be walking on the property. At dismissal time, we ask that NO CAR leave the school yard until ALL students have been dismissed. If you cannot wait until 2:50, please use street parking. We know that this will take some getting used to, but it is being done for the safety of our students, faculty and staff.
